Participants who don't meet these criteria won't be authorized to join the competition.

A proof of identity (copy of ID) will be asked upon registration.

It is recommended for participants to have a high quality and stable internet connection during the competition.

Participation in the competition implies full acceptance of these rules and participants must comply with all of the conditions. Failure of any competition entrant to comply with the terms and conditions set out in these rules will render their participation invalid.

ARTICLE 5 – Description of the competition

The four steps of the selection (local, regional, by geographic zones and international) will consist in a quiz

of general culture questions via the Kahoot digital platform.

For online steps, the participants must use two digital devices to participate through two platforms, free and easy to access (advice: a computer to access Zoom for the virtual game space, a mobile phone to answer the questionnaire from the Kahoot application).

The international final will take place onsite, in Paris, via the Kahoot application. The finalists will have to use their smartphone only (the questions will be displayed on a screen and an internet connection will be provided by the organisers).

The competition is run in French only and general culture questions are also written only in French.

Answers to the general knowledge questionnaire offered on the Kahoot platform will result in a count of the points and a ranking:

- At the end of the local selections, the first two finalists will be appointed to represent their Alliances at the regional selection.
- At the end of this regional selection, the first two finalists will be designated to represent the so-called "regional" network in the final of their geographic zone.
- The first finalists in each geographic zone will join the international final that will take place in Paris – transportation and accommodation will be offered by the organisers. The number of geographic zones (4 to 6) will be confirmed in April 2024 depending on the number of participating countries.
- The winner of the international final will be declared winner of the competition. He/she will then compete with the winner of the DEFI des Lycéens (organized among high school students).

ARTICLE 6 - Prizes

6.1 – Local Selections

For the local selections, each participating Alliance defines the prizes that will be awarded to the first two winners, separate from their participation in the regional selection. Mention of these prizes will be included in the communication prior to participation in the competition. Physical prizes can't be sent outside of the country of the participating Alliance that offers them.

6.2 – Regional Final

For the regional final, the first two winners will be awarded specific prizes, separate from their participation in the regional selection. These prizes will be announced by 30 April.

6.3 – Geographic zone Final

For the geographic zone final, the winner of each zone will be offered a stay in Paris during the 30 September to 6 October 2024 week, in order to allow them to join the international final on 1 October 2024 (the dates of this stay might be amended, within the said period).

The stay includes:

- the accommodation
- the transportation costs to Paris from the airport closest to the winner's home, and then from Paris to the same airport. The transportation cost (train or bus) to reach the chosen city. The transportation tickets inside cities (such as bus, subway, etc) aren't included.
- a 400 euros allowance

All the other costs that aren't included in the prize and mentioned here above (such as insurance, extra luggage, etc.) will be the responsibility of the winners. Should the winner need a visa to stay in France, the visa procedure and costs will have to be handled by the winner. The winners will have to check the requirements to travel to France.

Validity

The winners of the geographic zone finals must be available to attend the in-person final in Paris on October 1, 2024. Their unavailability constitutes grounds for prize cancellation. In this case, the runner-up will be designated as the winner of the geographic zone and invited to the international final.

Winners of the regional final cannot transfer their prize to a family member or friend.
