

Fête de la musique 2024

Music Day 2024

Call for artists

PART 1. Overview

La Fête de la musique is an annual event which traditionally takes place on June 21, during the summer solstice. The first edition ever was in 1982 in France and this celebration of music has now spread over 120 countries. The main objective of Fête de la musique is to acclaim all forms of music in terms of genres at all levels of practice, and to champion social inclusion. But first and foremost, Fête de la musique wants to be a joyful, inclusive, rallying and festive event.

For years now, Fête de la musique has been celebrated in Kuala Lumpur and spearheaded by Alliance Française of Kuala Lumpur. Be it at AFKL, in Bukit Bintang, at The Square @ Publika or at REXKL, Fête de la musique has always been a huge success. In 2023, Fête de la Musique in Malaysia was celebrated all around Chinatown and welcomed thousands of spectators across different locations.

The call for artists is open to individuals and music groups, ranging from amateur to professional. There is no age limit, and we will strive to reach gender equality in our final selection of artists. In the past editions, up to 13 artists and groups performed during la Fête de la musique. In 2024, the number of artists selected might be similar.

Fête de la musique 2024 in Kuala Lumpur will take place on **Sunday, June 23th at Titiwangsa Park.**
