French Diplomas

DELFL DALF 2022

What is DELF DALF?

The DELF and DALF are diplomas awarded by the French Ministry of Education to certify the French-language skills of non-French candidates.

The benefits of DELF DALF

DELF stands for *Diplôme d'études en langue française* (Diploma of French-language studies).

DALF stands for *Diplôme approfondi de langue française* (Advanced diploma in French language)

The diplomas are valid for life and recognised all around the world.

There are six independent diplomas, which correspond, respectively, to the six levels of the European Council Common European Framework of Reference for Languages (CEFRL).

USER	CEFRL	DELF/DALF	DURATION OF EXAMS	
Basic	A1	DELF A1	1 hour 20 mins	DELF
	A2	DELF A2	1 hour 40 mins	
Independent	B1	DELF B1	1 hour 55 mins	DALF
	B2	DELF B2	2 hours 30 mins	
Proficient	C1	DALF C1	4 hours	DALF
	C2	DALF C2	5 hours	

There are also special versions of DELF diplomas for teenagers (DELF junior), children (DELF Prim). These have the same structure as the regular version, but the themes used are chosen to suit preadolescent and adolescent candidates. There is also a professionally-oriented DELF version, DELF Pro.

In Malaysia, the DELF-DALF examinations are organized by the AFKL, in cooperation with the linguistic and cultural department of the Embassy of France.

Malaysia, with the experience of subscribing to the DELF DALF since 1998, have been registering more than 28,000 registered candidates and on yearly basis about 3,500 registrations for DELF DALF.

Candidates whose level of French is certified by a DELF or a DALF diploma benefit from the following:

- a certificate valid for life
- their level of French acknowledged both by the French Ministry of Education and internationally
- a proof of proficiency for education (DELF B2 and DALF are required to register in French universities and enable candidates to do so without sitting for a language exam)
- it adds to the CV

Each examination comprises sections testing the four main skills: speaking, listening, reading and writing.
