ARTICLE 5 – Description of the competition

The three steps of the selection (local, regional and international) will consist in a quiz of general culture questions via the Kahoot digital platform.

Participants must use two digital devices to participate through two platforms, free and easy to access (advice: a computer to access Zoom for the virtual game space, a mobile phone to answer the questionnaire from the Kahoot application)

The competition is run in French only and general culture questions are also written only in French.

Answers to the general knowledge questionnaire offered on the Kahoot platform will result in a count of the points and a ranking:

- At the end of the local selections, the first two finalists will be appointed to represent their Alliances at the regional selection.
- At the end of this regional selection, the first two finalists will be designated to represent the so-called "regional" network in the international final.
- The first three finalists of the international final will be declared winners of the competition.

ARTICLE 5 - Prizes

5.1 – Local Selections

For the local selections, each participating Alliance defines the prizes that will be awarded to the first two winners, separate from their participation in the regional selection. Mention of these prizes will be included in the communication prior to participation in the competition.
